Tournament Organiser Report

On behalf of Barnsley Archery Club I would like to thank all archers for supporting the event despite the challenging weather conditions!

This charity shoot has a great significance to many of us and I am delighted to say that due to your generosity a total of £252 will be shared equally between Cancer Research & MacMillan Cancer Support.

Thanks also to Les at Aardvark Archery for sponsoring the target faces.

Finally, many thanks to our Lady P Michelle and our wonderful judges Mark and Martin who helped the day run so smoothly.

We look forward to welcoming you back next year!
