SLA Barebow WA18 - Head to Head Individual Rankings

We thank all archers for choosing this shoot, and we hope to see you all again next year.

Many thanks to the volunteers who made the shoot possible.

Thank you to our sponsors, R-Core Custom Bow Grips and Accessories for their support and generous donation of prizes

Thank you to Custom Built Archery for supplying the target faces

A special mention to Sid Ball from Border Archery, who not only donated a fabulous Tempest riser and accessories but who also drove down from Scotland with his family to visit us and see how much money we could raise. He was delighted that the club had decided to match the funds and that we would be donating it all to the MND Association
